

Send Your High Holiday Greetings to our Clergy & Staff

Each year, we offer our IHC family the opportunity honor our Rabbis, Executive Director, Professional Staff and their families with High Holy Day good wishes.

Express your appreciation of all that they do for us by being part of the special High Holy Day Uniongram they will each receive. Your contribution supports the Youth, Education and Special Projects (YES) Fund of the Women of Reform Judaism (WRJ) which provides scholarships and educational loans for students at Hebrew Union College and supports youth activities across the world. Your donation will also support Sisterhood's funding of a wide range of youth and adult programming at IHC.

Please complete this section and return with check:
